

PRIVATE FAMILY SERVICE PORTFOLIO

UHNW Family Assistant

Household operations, childcare support, organization, meal preparation, relocation assistance, and special projects.

Prepared as a visual portfolio for future UHNW/private family roles

Warm, discreet support for private family life.

This portfolio presents a visual record of hands-on household support across private residences. The work reflects a service style built on discretion, care, initiative, and steady follow-through: keeping spaces ready, children supported, kitchens stocked, closets ordered, projects moving, and transitions handled with calm attention.

HOUSEHOLD OPERATIONS

Daily resets, errands, restocking, readiness checks, and small details that make a property feel cared for.

FAMILY SUPPORT

A warm presence for children, pets, activities, transport, and the shifting practical needs of family life.

ORDER & SYSTEMS

Closets, pantries, utility spaces, and storage areas organized for visibility, access, and maintenance.

PROJECT OWNERSHIP

Seasonal decor, move-ins, special requests, garden harvests, and hands-on household projects carried through.

Daily Household Support

Consistent, attentive support across multiple residences: resetting rooms, stocking essentials, preparing guest-ready spaces, managing errands, and noticing the small details that keep a private household calm, ready, and well cared for.
